## 2018-2019 Common Grant Application

The Common Grant Application is designed as a labor-saving device for organizations seeking grants from multiple foundations located in **Santa Barbara County**, and was developed by The Foundation Roundtable, a local regional association of grantmakers. The purpose of The Foundation Roundtable is to advance and support philanthropy. This common application format is one way of addressing our mission.

The Foundation Roundtable Common Grant Application form is available on the Santa Barbara Foundation [www.sbfoundation.org/frt](http://www.sbfoundation.org/frt)

## Application Checklist

Ensure that you have a copy of the most recent version of the Common Grant Application by checking the version listed on the SBF website. Please make sure all of the following information (**excluding this page**) is submitted in the listed order and in each foundation's requested format.

- Cover Sheet
- Proposal Narrative (up to 4 pages)
- Board of Directors/Governing Body List
- Project Budget
- Organization Financial Summary
- Organization Balance Sheet
- A Copy of Your IRS Final Determination 501(c)(3) Letter

If your organization does not have 501(c)(3) status, check with the funder to see if it is willing to fund your organization directly or is willing to fund your organization through your fiscal sponsor. Additional information may be required to do so.

### Additional Items as Required by Each Foundation

Participating foundations will require additional information or will have specific submission instructions. **You must contact each foundation directly for this information.**

### Strategies for Successful Grant-Seeking:

- ♣ Research the funding interests of each foundation before applying, and obtain a copy of its annual report and/or guidelines.
- ♣ Familiarize yourself with the funder's application process, including timetable and preferred method of initial contact. It is important to note that some funders accept proposals only after an initial phone call, query letter or pre-application form. Application workshops may be required or encouraged. **In general, it is never a good idea to send out a mass mailing of proposals.**
- ♣ Follow the attached application format and any specific instructions from the funder outlined on its individual instruction sheet. The Foundation Roundtable does not accept applications itself. All proposals should be sent to the individual foundation to which you are applying.

## Proposal Narrative

**Directions:** Limit your Proposal Narrative to **four (4) pages maximum, with 0.8 inch margins, 12 point font or larger**. Fill in each section using the specific questions below as boldface headings with your responses in normal text.

### **Background (One page or less)**

1. Your organization's history and accomplishments.
2. Your current programs and activities. Include the constituency you serve, with specific demographic information. How are they actively involved in your organization and/or how do they benefit from your organization's work?
3. Your organization's relationships – both formal and informal – with other organizations working to meet the same need. In what way does your work differ from that of other organizations?

### **Funding Request**

1. What need or problem does your project work to address?
2. In a short paragraph, tell us your project's (or organization's) goals and the specific outcomes you project for the grant period (i.e. numbers served, behavior or attitudes changed, capital project completed, etc.).
3. Describe your project or the capital items requested, including:
  - Whether the project is new, ongoing or an expansion
  - Target audience, including specific demographic information
  - Activities/strategies that will be used to meet your stated outcomes
  - General timeline for the main objectives of your project
4. If this is a request for General Support, what are your organization's most pressing needs?
5. How do you plan to evaluate the effectiveness or impact of the project?
6. Summarize the skills and relevant experience of key staff/volunteers essential to the project's success. If other organizations are collaborating on this project, note which ones and in what ways.
7. If full funding is not available, what is the contingency plan for securing additional support and/or how can you modify your proposal?
